Re: *United States v. Davis*, S7 21 Cr. 603 (VEC)  
(Mr. Davis's request for redacted filing of his sentencing submission and certain exhibits)

Dear Judge Caproni,

Pursuant to Rule 3(A) of the Court's Individual Practice Rules, the Court I seek permission to file redacted versions of Mr. Davis's sentencing submission and the exhibits to the sentencing submission.

Mr. Davis does not wish for his family member's medical condition to be a matter of public knowledge, as it would be upsetting to the family member and perhaps fodder for the press. For that reason, he requests the Court that his sentencing submission (and exhibits to it) be filed in a redacted format and certain exhibits (his immediate family member's letters of support) not be filed on the public docket.

The redactions in the exhibits parallel the redactions in the sentencing submission – information about the health of his family members. Mr. Davis's health issues are a matter of public knowledge and we do not seek redaction of that information.

So that the Court may evaluate the redacted portions, a copy with the redacted sections highlighted has been provided to its Chambers. The redacted version is also provided to Chambers and filed on ECF.

I thank the Court for its time and consideration of this request.

Respectfully submitted,

/s/Sabrina Shroff Counsel to Ronald Glen Davis
